InmanWiki Qwik *Tips*

Creating an Agent or Business Profile

Before you can contribute to the InmanWiki, you must **create an ID**. To qualify for a Featured category (as seen at the top of this page) you need to create a **comprehensive profile** and enable your e-mail.

Guidelines for InmanWiki Contributions

Creating The World's Largest Real Estate Encyclopedia is a big task. Here are some **guidelines** we've developed to assist you in contributing material that is useful to everyone who comes here for real estate-related information.

Adding a Blog, Podcast or Video to the InmanWiki

It's easy to add an **audio file, or Podcast**. You can also contribute a **video** or **Blog feed!**

Don't Get Lost

Finally, but most importantly, selecting a **Category** for Your contribution is critical! Identify a category that is relevant to your contribution and will help readers get to it quickly. A list of available categories is at the bottom of your article. Don't think of it as a shopping list, though. It is intended as a roadmap.
